

LETTER OF AGREEMENT FOR COMMERCIAL SUPPORT OF A CE ACTIVITY

Duke University’s Department of Clinical Education and Professional Development (the “Accredited Provider”) is committed to presenting continuing education (“CE”) activities that promote improvements or quality in healthcare and are independent of the control of ineligible companies’ support. As part of this commitment, we have outlined in this written letter of agreement the terms, conditions, and purposes of commercial support for the CE activity delineated below. Commercial support is defined as financial, or in-kind (non-financial), contributions given by an Ineligible company, which is used to support all or part of the costs of a CE activity. ACCME defines an Ineligible Company as any entity whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on Patients.

4. The Accredited Provider and the Ineligible Company agree that the Commercial Support provided herein has not been determined in a manner which takes into account the volume or value of any referrals, financial relationship(s) or other business arrangement(s) otherwise existing between the parties for which payment may be made, in whole or in part, under any Federal or state health care program, including, without limitation, Medicare or Medicaid. The provided funds or portions of the provided funds may be reportable in compliance with the Physician Payments Sunshine Act.

12. The **Accredited Provider** will, upon request, furnish the **Ineligible Company** with documentation detailing the receipt and expenditure of the Commercial Support. The **Accredited Provider** agrees that the **Commercial Support** will be used only for the support of the defined **CE Activity**, and shall return to the **Ineligible Company** any funds that are not used for that purpose.

This **Agreement** constitutes the entire agreement between the parties relating to the supported activity and supersedes all other agreements, express or implied, between the parties as to its subject matter.
