

**Duke Advanced Vascular Access Symposium**  
**September 26-27, 2015**  
**Sheraton Imperial Hotel, Durham, NC**

Time	Session	Speaker(s)
<i>Saturday, September 26, 2015</i>		
<i>Radial Approach</i>		
8:00-9:00am	<i>Registration and Breakfast</i>	
9:00-9:15am	Introduction to the Duke Advanced Vascular Access Course	Sunil Rao
9:15-9:30am	Radial Arterial Access	Samir Pancholy
9:30-9:45am	Techniques to Traverse the Arm and Chest Vasculature	Rajiv Gulati
9:45-10:00am	Transradial Primary PCI	Sunil Rao
10:00-10:30am	<i>Break and Exhibits</i>	
10:30-10:45am	Bigger and Smaller: Upsizing and Downsizing the Radial Approach	Rajiv Gulati
10:45-11:00am	Forearm Venous Access	Ian Gilchrist
11:00-11:15am	Radial Artery Hemostasis and Radial Artery Occlusion	Samir Pancholy
11:15-11:30am	Recognition and Management of Radial Complications	Ian Gilchrist
11:30am-12:00pm	Case Presentations - Primary PCI for STEMI - I Can't Use the Radial! What Do I Do Now? - I Went Radial and the Artery is Too Calcified! What Next?	Sasko Kedev Mitchell Krucoff
12:00-12:15pm	Audience Q&A	
12:15-1:00pm	<i>Lunch</i>	
<i>Alternative Access</i>		
1:15-1:45pm	Popliteal and Pedal Artery Access	Tak Kwan
1:45-2:15pm	Ulnar Artery Access: How and Why	Sasko Kedev
2:15-2:30pm	Brachial Artery Access: How Yo Do It When You Have To	Mitchell Krucoff
2:30-2:45pm	Audience Q&A and Panel Discussion	
2:45-3:15pm	<i>Break and Exhibits</i>	
3:15-4:15pm	Case Presentations - My Best Access Case of the Last Year and What I Learned - My Worst Access Case of the Last Year and What I Learned	Mitchell Krucoff Mauricio Cohen
4:15pm	Summary and Adjourn	Sunil Rao
4:15-6:30pm	<i>Break and Exhibits</i>	
6:30-8:30pm	Dinner and Keynote Address	Richard Stack
<i>Sunday, September 27, 2015</i>		
<i>Femoral Access</i>		
9:15-9:45am	Best Practices for Arterial Access - Femoral, Subclavian, Direct Aortic - Anatomic Landmarks - Ultrasound -Micropuncture - Large Bore - Cutdown vs. Percutaneous	Mauricio Cohen
9:45-10:00am	Best Practices for Femoral Venous Access, Including Transcaval	Robert Applegate
10:00-10:30am	Overview of Femoral Closure	Robert Applegate
10:30-11:00am	<i>Break and Exhibits</i>	
11:00-11:30am	Recognizing and Managing Femoral Arterial Complications	Douglas Drachman
11:30am-12:00pm	Audience Q&A and Panel Discussion	
12:00pm	Summary and Adjourn	Sunil Rao
